WORK EXPERIENCE

Teaching Assistant, Le Wagon

Mar 21 - Present

Provide daily assistance with problem-solving and debugging coding challenges. Help educate students both back-end and front-end concepts and syntax in Ruby on Rails, Javascript, HTML, CSS and SQL.

Founder, Apt

Jan 21 - Present

Started a web development company. We have completed two projects to date; emmachambersart.com (not live) and swopbox.net.

Solutions Consultant, Agilisys

Jul 20 - Sep 20

Played a key role in successfully winning a bid for City of London worth **£70m**. Built a platform for the Metropolitan Police to **manage and govern** their Power Platform apps, users and policies. Worked with Hillingdon Council to create their **IT strategy** for the next 5 years

Cloud Consultant, Agilisys

Feb 19 - Jul 20

Responsible for **discovering and analysing** a clients current hosting and application environment in preparation for a migration to the **public cloud**. I have:

- **Led** two successful cloud discoveries (over 2000 servers)
- **Mentored** two new analysts, assigning them their day to day tasks

Office 365 Apprentice, Agilisys

Apr 18 - Jan 19

I studied and was examined on business analysis techniques. I averaged **over 90%** across my exams. Alongside this I delivered workshops on Microsoft Teams, presenting to over 200 professionals with **95%** rating the session **5-stars**.

IT Administrator, HIL Europe

May 13 - Dec 17

Worked part-time for a small company that provides leadership coaching to banks. I managed the company's emails accounts; 2 websites; coded and distributed our bi-monthly newsletter and assisted my colleagues with any technical queries.

EDUCATION

Le Wagon, Full Stack Web Development

Oct 21 - Dec 21

9-week full-time intensive coding bootcamp learning HTML, CSS, Bootstrap, JavaScript ES6, SQL, git, GitHub, Heroku and Ruby on Rails. Designed, implemented and shipped a clone of Airbnb and a Rails prototype of my own project - [Cadence](#)

British Computing Society (BCS)

Apr 18 - Jan 20

Level 4 IS Business Analysis Apprenticeship
